Program Notes

Sensuous Images is an electronic pre-recorded soundscape with a live instrumental solo, both somewhat evocative of the West Coast ballad stylings of Stan Kenton but without specific jazz harmonic progressions. Quartal harmonic materials are present along with the 4-note pitch set 0157 which I frequently use as harmonic and melodic material.

Composer Bio

Wisconsin native Ken Davies holds an M.A. in trombone from Middle Tennessee State University at Murfreesboro and an M.M. in composition from the University of Colorado at Boulder where he was a Cecil Effinger Fellowship composition student. During the 1970s, he was trombonist with Gabriel's Brass, a 12-piece jazz-rock show band based in Orlando, Florida, often appearing at Walt Disney World. He has worked as a commercial arranger and session producer for nationally broadcast record and television projects. Since 2002, he has resided in south Mississippi where he teaches brass, and runs his publishing company, Kenvad Music (see at www.kendavies.net). His works include acoustic and electronic pieces that have been performed nationally at conferences and festivals by Society of Composers, Southeastern Composers League, Electronic Music Midwest, Electroacoustic Barn Dance, Christian Fellowship of Art Music Composers, International Trombone Festival, National Association of Composers USA, PARMA Music Festival and concerts. Honors include ASCAP awards, the Mississippi Performing Artist Fellowship in Composition for 2006-2007 and 2012-2013, grants from Mississippi Arts Commission and a listing on the Mississippi Artist Roster. His Three Pieces for bass trombone and piano won the 2009 Eastern Trombone Workshop National Composition Competition. He was the 2013 Mississippi Music Teachers' Association commissioned composer. He has collaborated with his poet wife Judy to create a CD of poetic soundscapes featuring narrated poetry and electronic soundscapes. Their studio cats Little Fluff and Darius Meow supervise each piece of new music.
